- Write a professional ****agenda**** as if you were chairing a team meeting
 - Send an email to myself caroline.cahill@setu.ie attaching the meeting agenda (created in MS Word) with the subject line: "Meeting Agenda".
- You should also **CC** this email to yourself via your own student email.

(PART 2) Meeting minutes (30%)

- Create a template for the meeting minutes
- Write ****meeting minutes**** as if that content was your team's discussion

Using MS Word, write up the minutes digitally, making use of tables or tabs in MS Word ensuring to capture the essence of the meeting as per your class notes.
